

MR. JOHNSON

BY: ALEX GRIFFIN

"The students are the reason. They're the reason why I think all of us do this."
-Mr. Johnson

WHY DID YOU CHOOSE TO BECOME A TEACHER?

JOHNSON SAYS THAT TEACHING CHOSE HIM. WHEN HE GRADUATED FROM CHANNEL ISLANDS IN 2016, HE DIDN'T WANT TO TEACH. IT WAS NOT HIS PLAN. BUT IT WORKED OUT THIS WAY AND THE REST IS HISTORY. HE SAYS HOW BLESSED HE IS FOR ALL OF IT.

PIECE OF ADVICE

"GO FOR WHAT YOU WANT TO DO."

Johnson says you have to believe that you can do it. He says sometimes we don't know how to get there. It is the experience that teaches you.
